Organize

XVI International Symposium on Agricultural Sciences AgroReS 2027

THE FIRST ANNOUNCEMENT

Call for participation and abstract or paper submission

XVI INTERNATIONAL SYMPOSIUM ON AGRICULTURAL SCIENCES

25 – 27 May 2027
Trebinje, the Republic of Srpska, Bosnia and Herzegovina

https://agrores.agro.unibl.org/

Dear colleagues,

We are pleased to invite you to the XVI International Symposium on Agricultural Sciences (AgroReS 2027), which will take place in Trebinje, the Republic of Srpska, Bosnia and Herzegovina, in the last week of May 2027. organized by the Faculty of Agriculture, the University of Banja Luka, in cooperation with 23 international partner institutions and organizations. AgroReS 2027 aims to bring together scientists, young researchers, and professionals from agriculture and related disciplines to share research findings, exchange ideas, and foster international collaboration. The Symposium will provide a platform for oral and poster presentations, while offering institutions, companies, and other organizations an opportunity to showcase their products, services, and innovations. By fostering scientific dialogue and cooperation between academia and industry, AgroReS 2027 seeks to advance agricultural science and contribute to more productive, innovative, and sustainable agricultural and food systems

THEMATIC FIELDS

The scientific program of the Symposium AgroReS 2027 will include the following thematic fields:

Crop Science	**cereals; fodder plants; industrial plants; plant breeding and seed production; plant protection, organic production; genetic resources; land and water management; and related topics.**
Horticulture	fruit growing; viticulture and enology; vegetable growing; medical and aromatic plants; ornamental plants; plant breeding and nursery production; plant protection; organic production; genetic resources; and related topics.
Animal Science	livestock breeding; aquaculture; apiculture; animal nutrition; animal breeding; hunting; veterinary sciences; organic production; genetic resources; and related topics.
Agricultural Economics and Rural Development	agricultural policy; agricultural economics; marketing; agromanagement; agricultural financing and insurance; rural and regional development; food self-sufficiency, climate change adaptation; and related topics.

OFFICIAL LANGUAGE

The official language of the Symposium is English.

SUBMISSION AND PUBLICATION OF ABSTRACTS OR PAPERS

Authors are invited to submit abstracts or full papers through the online submission system available at the link. Authors are kindly requested to follow the submission guidelines and manuscript preparation instructions available on the Symposium website.
All accepted abstracts will be published in the Book of Abstracts. Authors may choose to submit their full papers for publication in either the Symposium Proceedings or the Agro-knowledge Journal.
Papers submitted to the Symposium Proceedings will undergo double-blind peer review. All published papers will be assigned a DOI.
Agro-knowledge Journal (Agroznanje) is a peer-reviewed, open-access scientific journal published by the Faculty of Agriculture, the University of Banja Luka, covering all areas of agriculture and related sciences. Submitted papers will undergo double-blind peer review, and accepted papers will be published in subsequent regular issues of the journal. More information is available at the journal webpage.
The Book of Abstracts and the Symposium Proceedings will be available electronically on the Symposium website no later than May 22, 2027.

REGISTRATION FEE

The registration fee is 200 BAM for regular participants and 80 BAM for students.

The fee covers participation in all scientific sessions, Symposium materials, refreshments during breaks, as well as the social programme, including a welcome reception, a cultural evening, a gala dinner, and a field visit.

Participants may pay the registration fee in advance by bank transfer or on-site in cash. Payment details are available at the link.

AWARDS FOR STUDENT PRESENTATIONS

The Symposium encourages BSc, MSc, and PhD students to present their research, exchange ideas, and engage with the international scientific community. The best student presentations will be recognized with awards.
